- ✓ Want to help HHA?

Help the Heritage Hill Association and save money at the same time...

Sears Commercial is partnering with the Heritage Hill Association to offer all Hill residents and property owners the opportunity to purchase Kenmore, Maytag, Whirlpool, GE, Frigidaire, Amana, LG, Bosch, Kitchenaid and Jennair appliances at below retail *sale* prices. Sears Commercial will contribute 2% of the purchase price to the Association in the form of an annual rebate.

Sears Commercial has a somewhat broader offering than Sears Retail, but you may visit www.sears.com to view *most* of the available appliances, and then call or email Bob Roche for pricing and other information. Bob will also be happy to meet with you to assist in the selection process if necessary.

Savings will vary, but you will always pay less than Sears' sale prices.
