2011 Heritage Hill Weekend Tour of Homes  
Saturday and Sunday, May 21 and 22, 2011

*We are springing ahead –*  
**The Heritage Hill Weekend Tour of Homes is May 21 and 22, 2011.**

Experience one of the largest urban historic districts recognized by the National Register of Historic Places in a new season. We have ended our fall tour and have moved it to the spring so that you can enjoy the 1,300 homes in Heritage Hill in full bloom. Our neighborhood homes date from 1843 and represent the best of American architecture.

This is the 42nd year that Heritage Hill has opened its doors to visitors and the first time since the early 1970's that we are back to the spring. Eight private houses and 3 historic buildings await you and offer an array of architecture, colors, decorating styles, and great urban gardens.

Advance tickets for Tour are \$12.00 if purchased prior to March 1. From March 1 to May 20 tickets are \$15.00. Tickets on the weekend of Tour are \$18.00. To obtain tickets, write to the Heritage Hill Association, 126 College SE; Grand Rapids, MI 49503 or go online at [www.heritagehillweb.org](http://www.heritagehillweb.org).
