The call is out for candidates to seek election to the HHA Board. Five seats are open for the annual election that takes place at the Holiday Potluck and Annual Meeting on December 1, 2011. (Save that date on your calendar.) The Board terms are for 3 years and begin on January 1, 2012 and end December 31, 2014. **The absolute deadline for submitting your candidacy is November 1, 2011**. This slate will appear along with a brief statement from each candidate in the November/December Herald. (The HHA Bylaws state that Board candidates need to submit their candidacy to the office 30 days before the annual meeting.)

To serve, Board members must be residents of the Heritage Hill neighborhood or be paid non-resident members. It is also helpful to have been somewhat active in Association activities, committees or neighborhood block clubs, but this is not a requirement to serve on the Board.

The duties of Association Board members include:

- Monthly Board Meetings - the third Wednesday of the month - approximately 2 hours long - 7:00 pm to 9:00 pm.
- Chairing or active participation on a HHA committee - monthly or quarterly meetings. Some committees such as Tour demand more of a time commitment.
- Attendance at HHA sponsored events - i.e. Tour, fundraising, and social events.
- Actively representing your neighbors to the Board.
- Actively representing the Board to your neighbors.

The Board wants and needs active leadership in the organization and representation from the entire neighborhood. If that’s not enough, there are treats at all meetings!

If you or someone you know wants to serve (please obtain their permission), please call the Association office at 459-8950 or email to heritage@heritagehillweb.org.

Land Use Issues A-plenty

**44 Lafayette NE (Phil Fuller)** –
A zoning variance request for use as a 12 room hotel with special indoor and outdoor events was reviewed by the Grand Rapids Zoning Appeals Board on September 15. The Association and a majority of near neighbors did not support the use because the request was in conflict with several points of the Master Plan of Heritage Hill. In addition the proposed events included no specifics and/or details.

The Association presented “As proposed, the extensive outside and large activities will have detrimental impacts on the neighboring properties in terms of inadequate parking, noise, and a scale of activity not commonly found in a residential neighborhood. Even the previous more limited use caused significant parking, traffic and noise problems. The new request is a substantial change not only because of its use as a banquet facility but also because it will likely have the highest use on weekends and nights. This pressure on the residential neighborhood will be at times when most neighbors are home.”

The Grand Rapids Zoning Appeals Board tabled the request for 60 days and asked the applicant to provide a detailed business plan for the property outlining frequency, size, off-site parking arrangements and all details of holding events at the home.

**Wealthy, Lafayette, Prospect corner conceptual development** – A Neighbors information meeting was held on September 14 to discuss a potential multi-building development that ICCF may explore. The presentation highlighted the primary residential proposal that would include condo’s, apartments and a small retail/office component.

ICCF is hoping funding could become available. If that occurs, neighbors’ comments and observations from that meeting’s review would be incorporated into a specific site plan that ICCF will bring back to neighbors before moving forward.

**253 Prospect NE - Bethlehem Lutheran Church** - The 616Lofts group has filed a zoning variance request for its redevelopment of the former church for use as 22-unit unit apartment building. The apartments will be mostly one-bedroom, market-rate and will be built for future condo conversion if that market improves.

The Association hosted a neighbors’ meeting on September 26 with a Zoning Appeals Board public hearing scheduled for October 20th. A neighborhood position on this is not yet finalized as the Association is researching and soliciting neighbors’ feedback.

Please call or email the Association if you have yet to share your thoughts on this potential development, 459-8950 or heritage@heritagehillweb.org

**Heritage Hill Association’s Land-Use Review process** – The Association reviews all land-use proposals for our neighborhood. This review process involves researching the request through meetings with the applicants, reviewing the application and how it relates to the Master Plan of Heritage Hill, and soliciting feedback from neighbors through meetings, emails and conversations.

The HHA’s zoning committee compiles all this information and recommends positions to the HHA Board of Directors. With this recommendation, the Board debates and determines its position and presents this stance to the respective City body that is deciding the issue.

The Heritage Hill Association is one voice on all land-use matters but it also crucial for active neighbors to also make their voice heard by the City’s decision makers. For more information on this process and/or land-use issues in general, please contact your Association, 459-8950; heritage@heritagehillweb.org.

Remodeling & Repair Specialists
Welcome to one of the best neighborhoods in Grand Rapids. Heritage Hill is located next to everything. We’re a quick walk to Eastown, Easthills, Cherry Hill, Heartside and Downtown! Our Housing is historic and yet available for all income levels. We have great rental owners, good eats on State Street, Wealthy and Union & Lyon. We also have a well established Neighborhood Association that you can work with for your concerns. You can also give us a hand on neighborhood issues.

The Heritage Hill Association is here to assist you in a dozen different ways. Apartment Lists, neighborhood organizing, crime prevention, home security, personal safety zoning and housing issues, tenant rights and responsibilities, follow up with city departments on issues of concern. If we can’t help we know who can. Feel free to give us a call at 459-8950, sign up for our E-Alert/Updates. Send us your name, address, phone and e-mail. Get the latest info on crime, events, and opportunities. Then pass it on to your friends. Welcome neighbor! Don’t hesitate to call and ask for Barb.

Tenant Law Project: The Tenant Law Project is a new, free, bi-weekly resource for tenants with questions about eviction, housing repairs, security deposit law and other renter issues. Tenants can meet with Cooley Law students and certified lawyers every first and third Monday’s beginning in October. The Tenant Law Project is collaboration between Cooley Law School, Legal Aid of West Michigan, the Legal Assistance Center, and the Kent County Renters’ Alliance. It is supported by the Dyer-Ives Foundation and Grand Rapids Community Foundation.

Tenant Legal Clinics begin on October 3, 2011 between noon and 2:00 p.m. at Steepletown Neighborhood Services, 641 Davis NW - Off of the 9, 18, 7 Bus Routes. All tenants in Kent County are welcome.

Apartment Security and Personal Safety: Neighborhood organizations all over the city of Grand Rapids have active Neighborhood Watch Programs. Take charge of your safety by using common sense safety habits like the ones below. These have helped us reduce home burglary over the last two decades. Many of the suggestions are also requirements under the Grand Rapids Housing Code*.

- Main door security: Be concerned if the front or rear door to the building is not locked when you go to see the building. All entry/exit doors, front back and side should be locked at all times.
- Apartment door security: Doors into your apartment must have a deadbolt*. Use it all the time.
- Windows: You must have a lock on every window and those on the first floor must have a second window.

- Stopping device as well.*
- **Basement/laundry room:** If there is an exterior door to the laundry it should be locked at all times.
- **Interior and exterior lighting:** Common halls and exterior exits must be lit*. Check at night to see if the building has exterior lights turned on.
- **Parking area:** Parking areas at rear of buildings are safer if lighted.
- **On the street:** Your mother was right. Don’t talk to strangers. Don’t give them money if they come to your door. If you are on the street and feel like trouble is coming go up and knock on a door and ask the person who answers to call the police for you. This may not ever be necessary, but it is an option you should commit to using if you feel frightened. Stay off the streets if alone after dark.
- **Free home and apartment Security Checks are part of our crime prevention program.** Call Barb at 459-8950 to set up an appointment.

Bike Theft: Take your bike inside your apartment or a locked garage. Don’t secure it to part of your porch rail since thieves can break it or your chain to get the bike.

Don’t hesitate to call the police. Report all incidents.
Call 911 for emergencies.
Call 456-3400 Non-emergency police service - for loud disturbances, barking dogs, etc.
Call the **Heritage Hill Association** for questions on any type of neighborhood issues, your concerns or to get involved. Our number is 459-8950. Write us at heritage@heritagehillweb.org to get our E-Crime Alerts.
Crime Down: Chief Kevin Belk met with neighborhood association Crime Prevention Officers and Community Police Officers recently to go over the city-wide crime stats. Despite what we read in the papers and see on the news every night, felony crime in Grand Rapids is down a whopping 17.5 percent for the first six months of 2011 when compared to the same period in 2010. Now, this is great news, but no one, including Chief Belk, can tell us exactly why. But I do have an idea – hot weather! Even thieves must have hesitated to move away from fans and air conditions this summer.

Tip from a Neighbor: To alert a burglar that you know they are in your “space”, simply install a remote audible alarm that will sound the second someone crosses into your yard, porch, or garage. Thieves can hear the alarms if they are placed near a window. The units are not connected to an alarm company but they do alert owners who are at home to trespassers giving them time to call 911. It is up to the intruders to decide if the police are on their way or not. Many will flee the scene. The units are about $40 and available at hardware stores.

Neighbors Reported Car Break-ins: Quite a few neighbors report that their cars were either broken into or opened without damage by thieves looking for something to steal. There were also several cars on Lyon NE that suffered broken windows but not thefts in late August. If you are new to the neighborhood or city you should know that police recommend that valuables not be hidden/kept in your vehicle. It is a low-risk crime with high compensation (iPads, phones, wallets, cash/coin, laptops, etc.).

Calvin College First Year Student Volunteers: The Heritage Hill Association thanks 15 students who pitched in on our fall Foster Park Clean up held August 3rd. We also thank Home Repair Services for loaning us the shovels, pruner, and trimmers as they do several times a year.

Orphan Street Trees: Have you noticed trees on city property that suffer from failure to thrive? They get no care or water and they often have bare or dead branches. If you are a frustrated gardener looking for a project, just give us a call and ask for Barb at 459-8950. There are several areas where tree squares and corner gardens need a bit of help. Orphan street trees need someone to water, feed and watch over them during spring, summer and fall.

Fall Leaves: Just a reminder from your neighbors that the city of Grand Rapids does not allow us to sweep, rake, throw or blow leaves or other yard waste into the street gutters.
Voigt House opens for Christmas

Not too early to think about the holidays - The Voigt House will be open to visitors from 12 – 5 pm on December 3, 4, 10 & 11 for Christmas at the Voigt House. Guests can tour the home, decorated in its period-appropriate finery, and learn about Victorian holiday traditions. Tickets are available at the door. Members are free, Adults are $5 and Children are $3.

Neighbor’s Question: What are the regulations for composting?

Composting in the City of Grand Rapids is limited to yard waste. Composting of other organic waste or materials such as food, garden produce or animal waste is not permitted, as it elevates the background rodent population. Composting of yard waste must comply with the following requirements:

- Yard waste must be contained in a composting barrel or composting bin.
- A composting barrel or bin may be made of solid wood or metal or may be constructed of stakes wrapped with mesh.
- A composting barrel or bin shall be constructed or maintained so as to prevent the contents from blowing about or falling to the ground outside the container.
- The composting barrel or bin must be located in a rear yard and be at least three feet from a dwelling or property line.
- Composted yard waste is considered an item of value and is regulated by Section 8.577 of Chapter 140 of the City Code. Any other organic waste is considered to be garbage and must be removed from a property at least every seven days as required by Section 9.107 of Chapter 151 and Section 2.7 of Chapter 25 of the City Code.

WE REMEMBER OUR NEIGHBORS

Judy Bayens, a long-time neighbor on Union SE, passed away in early September surrounded by her family and friends. Judy loved Heritage Hill and was a member of the fabled North College Block Club. Even when she moved a couple blocks east of us, she said her heart was still in Heritage Hill. Our hearts join those of her family in saying a fond farewell.

Dick Arens, passed away in mid-September while vacationing in Europe. Dick was a rental property owner with a flair. Dick had many friends and was extremely close to his family. He traveled extensively and made the most of his time here. His dear friend and manager and his many tenants join us in mourning his passing.

Discussion at the August, 2011 Heritage Hill Association Board Meeting included:

**HHA Board Appointment:** The Executive Committee recommended that Kate Diedrich be appointed to fill the remaining term of Kathi Barkan (December 31, 2012). Kate introduced herself as a neighbor at 536 Prospect SE. She and her husband have lived in the neighborhood for 30 years, raised their kids here, have been hosts for Home Tour and Garden Tour. Kate has retired and believes it’s time to give back to her neighborhood. MSP unanimously to appoint Kate Diedrich to the board.

**Treasurer’s Report:** Jackie Taylor commented that as of July 31st, the Residential Pledge drive is at 103% of the budgeted figure. Home Tour revenue is down, expenses are a little over. To date, we are at 60% of the revenue and thanks to the wonderful staff, at 57% of the expenses. Wine Social: Target is to raise $4,000, need volunteers, and she will be sending around a sign-up sheet. HHA is not in dire straits overall and does have reserve funds, but it cannot continue to run deficits.

**Staff Reports:** Barb Lester stated that the Police Chief held a meeting with neighborhood Crime Prevention Organizers, reporting on the significant decrease in serious, felony crimes. The police do not really know the reasons for this decrease. Neighborhood organizations have definitely played a part; now there is a culture of community-oriented policing. These efforts help keep people in the neighborhood and the City.

Jane Lovett asked about 44 Lafayette NE (the Philo Fuller house). Mike Clark commented that an application would have to be submitted before the issue was added to a zoning agenda, but that it was his understanding that the intent is to turn it into an inn. Some board members attended an open house and commented that the interior is modern; all old details are gone. Discussions included the cost of renovation, the applicants, and that the current zoning does not allow for this use at this time.

**Committee/Liaison Reports:**

**Institutional Liaisons:** Saint Mary’s Hospital donated $500 to HHA’s Picnic.

**Strategic Plan:** Exec. Committee is developing an action plan and committee to solicit large, funding contributors. With a $14,000 deficit for 2011 and $9,500 for 2012, HHA cannot continue to run deficits.
Community Involvement:
Parks: Barb Lester reported that she is asking for help for Foster Park from Friends of Grand Rapids Parks. Calvin College students are coming on Sept. 1st to help with a clean-up at the Park, if anyone would like to lend a hand.

Preservation & Zoning: 153 Lafayette NE – Mike Clark stated that HHA presented a letter to HPC supporting their recommendations concerning demolition. Amy Ruis, Craig Nobbelin, Mike Clark and Jan Earl will be meeting with Jonathan Bradford of ICCF concerning its potential development of the Wealthy, Prospect, and Lafayette corner. Discussion included neighborhood awareness, history, funding, scope and location of the project. Jane Lovett presented the zoning change to the Home Occupation ordinance.

The HHA Board meets at 7:00 p.m. on the third WEDNESDAY of every month at the GRCC DeVos Campus, 415 East Fulton, at the Robert Sneden Lecture Hall. Neighbors are welcome to attend.

If you would like an item placed on the Board agenda, please call the HHA office at 459-8950 before 4:00 p.m. of the second WEDNESDAY of the month.

If you would like to address the Board regarding an agenda item, public comment is taken at the beginning of each meeting. For non-agenda items, public comment is taken at the end of each meeting. Typically, Board meetings run from 7:00 p.m. until 8:30.m.

without increased funding. Mike Clark solicited members to join this committee - Nikki Hoort, Jane Lovett, Jaime Misner, Justin Fales and Lora Sieg volunteered. Discussion included the tasks of the committee, what the neighborhood offers, branding, marketing value and developing a case statement for investing in downtown Heritage Hill.

Fundraising:
Friday Night Out: Beer, Wine, Food pairing Social: Jackie Taylor reported that it is absolutely critical to get the word out to friends and colleagues. Discussion included keeping the price reasonable @ $45 a ticket, Women’s City Club is donating its space as a neighborhood contribution; silent art auction – needs a chair. Amy Ruis is coordinating the beverages and food donations; HHA will be getting a one-day liquor license. Deb Bryker presented the idea of HH souvenir wine glasses that would be for purchase. Suggestion for a name change was made by Justin Fales.

Garden Tour: Mike Clark reported that it was a tremendous success and that the vast majority of attendees were not from the neighborhood. Proceeds will be split with the North College Block Club. NCBC will also donate a portion of their proceeds to Heritage Hill, as one of their charities.

Home Tour/Friends & Sponsors: The renovated Warren Hall will be on for 2012. Members were asked to find houses, find houses, find houses.

Pledge Drive: Barb Lester will be hosting two Phon-a-thons and will recruit volunteers. Goal of $1,000 a night. Membership and Commercial letters will go out this fall.

Have you signed up for your city points?

It is easy and free ... you get points for stuff that you already do, recycle that is ... and then you redeem your points for good stuff.

City residents who signed up for the City’s free Single Stream Recycling Program and place their free recycling cart at their curb on collection day will automatically receive points based on the volume of recyclables that the City collects. Each City recycling cart has a Remote Frequency Identification (RFID) chip imbedded in the cart to permit the City to identify the customer and automatically credits the customer’s account with MyGRCity Points every time they recycle.

Go to myGRcitypoints.com and sign-up TODAY!

Members of the Heritage Hill Association Board are somewhat competitive and are taking this point system very seriously. Currently Heritage Hill ranks 37 out of 39 in the City’s listing of areas and their respective accumulated points. That is really low. Board members are outraged and know we can do better.

As good preservationists, you might argue that re-use maybe what this neighborhood is better at ... but that argument fell flat competitively speaking. So I went to the City’s website, myGRcitypoints.com, and signed up. See Board members, I can take direction!

Besides, my recycling cart is full (overflowing) on every pick-up date and now I’m earning my points, improving my neighborhood standing, and will be using my points on many free offers! You can too!

Remember Heritage Hill Property Owners:
There is a City Preservation Ordinance that governs all exterior changes, repairs and/or additions to Heritage Hill properties. Call the Grand Rapids Historic Preservation Commission at 456-3451 for information on approvals. You can access the application form at the City’s website, www.ci.grand-rapids.mi.us at the Planning Department section or at the Heritage Hill Association’s www.heritagehillweb.org. This ordinance applies to all exterior changes, repairs, and/or additions to your home and property. Items such as doors and windows including storms, yard structures, driveway and sidewalk approaches, and fences do need HPC approvals.

I just have to say I loved the food at GRPD! I had not been disappointed. 

Lori B. 
Thanks again for saving our dinner dilemma! Great pizza every time! 

Diane R. 
Amazing food 

Chris K. 
Just wanted to let the guys know that the pizza me and my roommates ordered this weekend was the most amazing pizza ever! 

Mary F. 
Yum! And thanks for offering such delicious gluten-free pizza — the kids DEVoured it! 

Leah B. 
Love your pizza! Knowing you buy local makes it even better! 

Dana P. 
your pizza is delicious! 

Nadira K. 
Holy smokes! Your thin crust is amazing. Best thing since big slice NY style! 

Mike G. 
Your pizza is the best! I’ve been picking up pies from you guys for years, but this weekend I tried the Columbus for the first time and was amazed at how good it was! Looking forward many more unique creations! 

Vanessa V. Best Pizza in GR!!! 

Nick P. 
Southwest Michigan Dining. One of my favorite pizzas from anywhere. GRPD has a great thin crust pizza and when I ask them to make it well done, they do it well done Chicago style. The crust is very light and almost always crispy. They pile on the toppings and really get a nice dark, golden brown color on the cheese. Exactly what I look for in a pizza. 

Cheryl R. 
Hey! Stopped in for the first time today to grab a pizza to take home for hubby’s birthday. I don’t know who came up with the recipe for the 357, but I’m nominating them for sainthood! This is by far my favorite pizza ever!!! We can’t wait to try many more of your menu items. Oh, and your staff was great too! Fun and very friendly! 

Dave R. 
Great food, great service at a good price...what more could you ask for? 

Juan G. 
The Honey Jalapeño Chicken pizza is ridiculous. Food that delicious should not exist...but I’m glad it does.
