A **short business meeting** was held before the second of three long range planning sessions the board committed to in lieu of business meetings in February, April, and June. During this brief meeting, the board approved the minutes of the March meeting and requested Barbara to send available Garden Tour volunteer opportunities to board members.

The Board of Directors then moved into the long range **planning** process to set short and long-term goals in alignment with the purpose statements outlined in the bylaws.

Meeting was adjourned.
